

Fill this in and you will have *one sentence you could sell this month.*

Not a vibe. Not a bio. An offer. If a stranger cannot buy the sentence, it is not finished. Write in ink. First draft is supposed to be ugly.

01 · WHO

I help

One beginner. Situation + skill they already have. Not “everyone.”

☐ I can find 100 of them this week

02 · RESULT

so they can

Visible in 14 days. Not “feel confident.” A file, a link, a rewritten bio.

☐ They can point at it this month

03 · WITHOUT

without

The fear that keeps them lurking. 10k followers, guru cosplay, a 40-hour course.

04-05 · FORMAT + PRICE

Circle one of each

06 · THE SENTENCE

Copy this. This is the offer.

I help _____

get _____

without _____

☐ A stranger knows if it's for them in 3 seconds

☐ I would say this on a Reel tomorrow

07 · BIO ONE-LINER

The sentence, compressed

Formula: result for who. Without, on purpose.

Ex: I make your taste buyable. No audience required.

08 · FIRST 5 HOOKS

A finished map — steal the shape.

Use this until you write your own. Same structure. Your nouns.

WHO	Ambitious beginners with taste (design, photo, video, writing, style) and no product
RESULT	A named digital offer and a live checkout link in 14 days
WITHOUT	A big following, a studio, or guru cosplay
FORMAT	Weekend kit first, then a 14-day system
PRICE	\$27, then \$147
SENTENCE	I help ambitious beginners with taste get a named offer and a live checkout without waiting for 10k followers.
BIO	I make your taste buyable. Starting from zero, in public.

Use it in 20 minutes

- 01 Fill boxes 1–5 without editing. Ugly is correct.
- 02 Write the sentence once. Read it out loud. Cut one adjective.
- 03 Write the bio line. Put it on Instagram today. Not “when the grid matches.”
- 04 Write 5 hooks. Film one tomorrow.
- 05 Reply to the email (or the DM) with your sentence. I will tell you if it is buyable.

DOOR 1

First Product in a Weekend

\$27

Name it, outline it, package it, upload it. Templates included.
The weekend files — not just the sentence.

DOOR 2

The Buyable Brand

\$147

14-day install: offer, profile, content pillars, and the Reel → DM
→ checkout funnel.

This map is not a personality test, a 40-page workbook, or a promise you will make \$10k. It is a sentence + a price + five hooks. That is enough to start selling. One sentence is free. A store is not.
